Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance of claims 19-35.

For independent claims 1, 14 and 15, the prior art of record does not disclose or clearly suggest a telescopic flag pole assembly wherein the locking slot is defined by a slot edge extending at an inclined angle with respect to the reference plane and wherein the locking tab is defined by a tab edge extending at said inclined angle with respect to said reference plane in combination with the remaining limitations of the claims.

Claims 3-7, 10-12, 14-17 and 20-26 are allowed due to their dependency from one of the above listed independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
